
**Chesapeake Energy
Corporation Announces
Pricing of Private Offering of
Additional 6.5% Senior Notes
Due 2017**

PRNewswire-FirstCall
OKLAHOMA CITY

Chesapeake Energy Corporation today announced that it has priced a private placement offering to eligible purchasers of an additional \$100 million of its 6.5% Senior Notes due August 15, 2017. The offering of additional notes is expected to close concurrently with the closing of Chesapeake's recently announced \$500 million offering of its 6.5% Senior Notes due 2017. All of the notes issued in the offerings will be issued as a single class of notes under the same indenture. The additional senior notes were priced at 99.5% of par to yield 6.561% to maturity. The notes are expected to be eligible for resale under Rule 144A.

Chesapeake intends to use the net proceeds from the offering to repay debt under its revolving bank credit facility.

The new notes have not been registered under the Securities Act of 1933 or applicable state securities laws, and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and applicable state laws. This announcement shall not constitute an offer to sell or a solicitation of an offer to buy the new notes.
