

**Chesapeake Energy  
Corporation Announces  
Pricing of Offering of \$500  
Million of Senior Notes**

PRNewswire-FirstCall  
OKLAHOMA CITY

Chesapeake Energy Corporation today announced that it has priced its previously announced public offering of \$500 million aggregate principal amount of senior notes due 2013, which carries an interest rate of 7.625%. The senior notes were priced at 98.266% of par to yield 7.95% to maturity. Chesapeake expects the issuance and delivery of the senior notes to occur on June 30, 2006, subject to customary closing conditions.

Chesapeake intends to use the net proceeds from the offering, together with proceeds from concurrent public offerings of mandatory convertible preferred stock and common stock, to fund its recently announced Barnett Shale acquisitions for \$932 million, to repay outstanding indebtedness under its revolving credit facility and for general corporate purposes.

The offering is being made under a shelf registration statement that became effective when filed by the company on June 27, 2006.

Banc of America Securities LLC, Deutsche Bank Securities, Goldman, Sachs & Co., Lehman Brothers Inc. and Wachovia Securities are acting as joint book-running managers for the Senior Notes offering.
