

Chesapeake Energy Corporation Receives Investor Relations Magazine Awards

OKLAHOMA CITY, Mar 25, 2010 (BUSINESS WIRE) -- Chesapeake Energy Corporation (NYSE:CHK) was recognized for Best Investor Relations in the Energy Sector and also received the award for Best Investor Relations Website at the 2010 IR Magazine U.S. awards program last night in New York. Chesapeake was also selected as finalist in the Grand Prix for Best Overall Investor Relations among large cap companies and Best Use of Conferencing.

In its 15th year, IR Magazine U.S. Awards have set the benchmark of excellence in investor relations. Based on their unique research process that directly canvases the opinions of the entire investment community, the annual event in New York brings together the entire investor relations community.

Jeffery L. Mobley, Senior Vice President of Investor Relations and Research, stated, "We greatly appreciate this recognition by IR Magazine. Our team strives to provide transparent, comprehensive and insightful information regarding Chesapeake and the energy industry to investors and analysts and we value this feedback from nearly 4,200 investment professionals that voted in this year's survey."

Aubrey K. McClendon, Chesapeake's Chief Executive Officer, commented, "Congratulations to Jeff and his team for outstanding work. Chesapeake continues to place significant emphasis on our communications exchange with the investment community and we are honored by these awards."
