

Chesapeake Energy Corporation Announces Cash Tender Offer for Senior Notes

OKLAHOMA CITY--(BUSINESS WIRE)--Apr. 10, 2014-- Chesapeake Energy Corporation (NYSE:CHK) today announced the commencement of a tender offer (the "Tender Offer") for any and all of its 9.50% Senior Notes due 2015 (the "Notes").

The Tender Offer is being made pursuant to an Offer to Purchase and a related Letter of Transmittal, each dated April 10, 2014, which set forth a more detailed description of the terms and conditions of the Tender Offer.

Upon the terms and subject to the conditions described in the Offer to Purchase, the Letter of Transmittal and any amendments or supplements to the foregoing, Chesapeake is offering to purchase for cash any and all of the outstanding Notes.

Holders must validly tender their Notes at or prior to 5:00 p.m., New York City time, on April 23, 2014 (such date and time, as it may be extended, the "Early Tender Date") to be eligible to receive the Total Consideration (as set forth in the table below), which includes the Early Tender Premium (as set forth in the table below). The Tender Offer will expire at 11:59 p.m., New York City time, on May 7, 2014, unless it is extended or earlier terminated (such date and time, as it may be extended, the "Expiration Date").

Notes	CUSIP/ISIN Numbers	Principal Amount Outstanding	Purchase Price⁽¹⁾	Early Tender Premium⁽²⁾	Total Consideration⁽¹⁾
9.50% Senior Notes due 2015	165167CD7/ US165167CD78	\$1,264,697,000	\$1,042.00	\$30.00	\$1,072.00

(1) Per \$1,000 principal amount of Notes validly tendered and accepted for purchase in the Tender Offer, and excluding any accrued interest, which will be paid in addition to the Total Consideration or Purchase Price, as applicable, up to but not including the applicable settlement date.

(2) Per \$1,000 principal amount of Notes validly tendered and accepted for purchase in the Tender Offer prior to the Early Tender Date; included in Total Consideration.

Chesapeake's obligation to accept for purchase and to pay for Notes in the Tender Offer is subject to the satisfaction or waiver of a number of conditions, including the receipt by Chesapeake, at or prior to the early settlement date (as described below), of the net proceeds from the issuance of not less than \$3.0 billion in principal amount of indebtedness in one or more debt financing transactions, including debt capital markets transactions, on terms reasonably satisfactory to Chesapeake (the "Financing Condition"). On April 10, 2014, Chesapeake commenced an offering of \$3.0 billion of its senior notes, and such offering, if successfully completed, will satisfy the Financing Condition. The Tender Offer is not contingent upon the tender of any minimum principal amount of Notes. This press release is not an offer to sell or the solicitation of an offer

to buy any securities. Offers and sales of any securities will only be made by means of a prospectus or offering memorandum, on the terms and subject to the conditions set forth therein.

Holders of Notes that are validly tendered at or prior to the Early Tender Date and accepted for purchase by Chesapeake will receive the Total Consideration, which is equal to the Purchase Price (as set forth in the table above) for the Notes plus the Early Tender Premium for the Notes. Holders of Notes tendered after the Early Tender Date but before the Expiration Date and accepted for purchase by Chesapeake will receive the Purchase Price, but not the Early Tender Premium.

In addition to the Purchase Price or the Total Consideration, as the case may be, holders of Notes accepted for purchase will also receive accrued and unpaid interest on those Notes from the last interest payment date for the Notes to, but not including, the applicable settlement date for the Notes.

Settlement of Notes that are validly tendered and accepted for purchase at or prior to the Early Tender Date will promptly follow the satisfaction or waiver of the Financing Condition and the other conditions applicable to the Tender Offer but will in no event be earlier than the Early Tender Date. Chesapeake currently anticipates that such early settlement date will occur on or about April 24, 2014 (such date being subject to change without prior notice).

Settlement of Notes that are validly tendered and accepted for purchase after the Early Tender Date but before the Expiration Date will promptly follow the Expiration Date. Chesapeake currently anticipates that such final settlement date will occur on or about May 8, 2014 (such date being subject to change without prior notice).

Tendered Notes may be withdrawn from the Tender Offer at or prior to, but not after, 5:00 p.m., New York City time, on April 23, 2014 (the "Withdrawal Deadline"), unless the Withdrawal Deadline is extended or the Tender Offer is earlier terminated. Chesapeake expressly reserves the right, in its sole discretion, subject to applicable law, to (1) terminate the Tender Offer prior to the Expiration Date and not accept for purchase any Notes subject to the Tender Offer, (2) waive any and all of the conditions to the Tender Offer, (3) extend the Early Tender Date, Withdrawal Deadline or Expiration Date, (4) amend the terms of the Tender Offer or (5) change any settlement date for the Tender Offer. Until the Expiration Date, no assurance can be given that the Tender Offer will be completed.
